

# Student use of mobile phones and personal devices policy

Updated	February 2021
Review Date	March 2023

## Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

## Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

## Storage of personal devices

Upon entering school grounds students must turn off mobile phones and personal devices and bring them to the front office. Phones and devices will be labelled and secured in a locked cupboard. Students are to collect mobile phones and personal devices from the front office at the end of the school day.

## If the student does not comply

If students fail to hand in their mobile phone or personal device parents/caregivers will be contacted and the mobile phone or personal device will be secured in the office until collected by parent/caregiver.

Misuse of mobile phones and personal devices will result in disciplinary action in line with the school's Behaviour Management Policy.

## Roles and responsibilities

  - Report and respond to incidents of inappropriate use of personal devices in line with department policy and procedures and any legislative requirements.

### **School staff**

### **Students**

- Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.
- If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.
- Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person.
- Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

### **Parents**

- Support the implementation of the school's policy, including the consequences for non-compliance with the policy.
