

Dress Code Policy

Updated & Endorsed by Governing Council	June 2022
Review date	June 2024

The Surrey Downs Primary School Governing Council, in consultation with families and students, have developed a school dress code which all students are expected to follow. This involves the wearing of school uniform, which includes the Surrey Downs Primary School polo shirt and jumper, with other clothing being in the school's colour, navy blue.

Students are required to wear a hat in line with the recommendations of the Cancer Council when the UV is 3 or above.

The dress code at Surrey Downs Primary School is important.

- It is designed to give students a sense of belonging, unity and pride.
- It enables them to be easily identified as members of our school, both while at the school and also out in the community.
- The code also minimises competition between students to wear more expensive and fashionable clothing, whilst encouraging equity amongst students.
- It is designed to be practical in its application to a wide range of physical activities and weather conditions and ensures students observe health, safety and decency standards.

Uniform items can be ordered and purchased online through the School Locker website. School hats can be purchased online and at the front office.

Alternate uniform options can be negotiated with the Principal for students with additional needs.
